

*Robert Parker*  
WINE ADVOCATE

## Wine Advocate gives excellent scores to Odfjell wines in its 2018 Chile Tasting

In his **2018 Chile Tasting**, Luis Gutiérrez of the internationally recognized **Robert Parker's Wine Advocate** publication gave our wines excellent scores. These accolades encourage us to renew our commitment to making wines of the highest quality through organic farming and biodynamic practices and respecting the environment, processes, and people.

**93 points** **Odfjell 2014**  
Our flagship Cabernet Sauvignon from the Cauquenes area in the Maule Valley. A wine crafted with passion only when the earth and our winemaker's hands come together to create a special wine. Bright ruby red in color with pleasing aromas of black fruits such as blueberries, plums, and cherries as well as licorice. Velvety and persistent on the palate with a long, lingering finish.

**91 points** **Odfjell Aliara 2013**  
Aliara is a unique blend of selected lots of Malbec, Carignan and Syrah made in small quantities with innovative winemaking techniques. Deep violet in color the wine is harmonious and refined. The palate is sophisticated, intense and juicy with the presence of chocolate, coffee and tobacco leaves. The finish is long with ripe and velvety tannins.

**92 points** **Odfjell Winemaker's Travesy 2016**  
Winemaker's Travesy is the result of the search for unique vineyards from where our winemaker Arnaud Hereu looks to obtain the best grapes to craft the blend he dreams for you. The 2016 vintage is a perfect blend of Malbec, Carignan and Syrah from our Cauquenes, Lontué and Maipo vineyards.

**90 points** **Odfjell Orzada Carignan 2016**  
Orzada Carignan is a vibrant and seductive wine made with grapes from our centennial vineyard in Cauquenes, Valle del Maule, perfectly balanced with ripe and fresh tannins.
