

OUR WINES FROM CAUQUENES STAND OUT AROUND THE WORLD:

Tim Atkin: "Odfjell Cabernet Sauvignon 2015, one of the best wines of "The new Chile"

The acclaimed wine critic, Tim Atkin, led a tasting with 16 Chilean winemakers. This session showed the freshness and diversity of the different styles of the Chilean wine, which **have changed radically in the last years.**

The heavy, sweet and woody wines were replaced by **wines with less extraction and reduction, and more sense of place.**

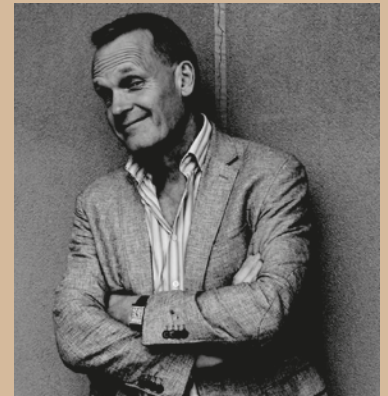

Among these wines from "*the new Chile*", Atkin highlighted our 2015 Odfjell Cabernet Sauvignon, from Cauquenes.

It should be noted that this wine was the only 100% Cabernet Sauvignon of those selected.

ODFJELL Cabernet Sauvignon 2015, Cauquenes

"Powerful, with a thick structure and plenty of alcohol, which achieves a perfect balance through the high acidity. A rustic wine."

Orzada Carignan, highlighted in Wine Spectator

We are proud to share the new recognition given to one of our wines by the prestigious North American magazine *Wine Spectator*, on its October 15, 2020 edition.

On this occasion, **Orzada Carignan 2018 obtained 90 points**, placing between the best Chilean wine's scores. This once again reflects Odfjell team's passion for creating wines of excellence.

This Carignan comes from our centennial vineyard in Cauquenes, **certified organic and biodynamic.** This dry-farmed vineyard, , has an intense red clay soil that preserves moisture throughout the season, allowing a slow growth of the grape, achieving complexity, freshness and elegance in the wine.

Orzada Carignan represents the rediscovery of a Chilean variety, culture, and ancestral traditions. It is a wine that stands out and goes beyond the ordinary, showing a friendlier and more feminine side of Carignan.
