The Vintage

The 2021 season was marked by rain at the end of January, which cooled the following weeks of the summer and gave the dryland vines some respite. Harvest was as usual in mid-March, but thanks to the rain we had lower alcohol content, with very good ripening and good acidity.

Tasting Notes

Deep purplish red in color, the nose has aromas of blackberry, raspberry, sour cherry and a floral side with hints of hibiscus. In the mouth it is a vibrant wine, with fine but present tannins that cover the entire mouth, accompanied by a juicy finish. It is persistent and fresh.
